

# NCCI 2026

## www.ncci.co.in

| Journal Name                                                                                                                                                                             |    | Indexing                              |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|---------------------------------------|
| International Journal of Science and Innovative Engineering & Technology(IJSIET)                                                                                                         |    | Google Scholar                        |
| International Journal of Innovative Research in Applied Sciences and Engineering(IJRASE)                                                                                                 |    | Google Scholar                        |
| International Journal of Advanced Research in Basic Engineering Sciences and Technology(IJARBEST)                                                                                        |    | Google Scholar, Thomson Reuter        |
| International Journal of Technology Innovation and Data Sciences                                                                                                                         |    | Google Scholar                        |
| Book chapters<br>1. Cloud computing<br>2. Robotics<br>3. Artificial Intelligence<br>4. IoT<br>5. Covid etc.                                                                              |    | SCOPUS Book chapters                  |
| Journal of IOT AND CLOUD                                                                                                                                                                 |    | SCOPUS                                |
| Book chapters topics - Blockchain, AI, The Internet of Things                                                                                                                            |    | SCOPUS Book chapters                  |
| Book chapters topics - Demystifying Graph Data Science – Graph, s Algorithm, Analytic Methods, Platforms, Databases and Use Cases                                                        |    | Web of Science & SCOPUS Book chapters |
| Book chapters topics - Artificial Intelligence for Renewable Energy Systems                                                                                                              |    | SCOPUS Book chapters                  |
| Book chapters topics - Machine Learning in Healthcare, Machine iculture, Machine Learning and Deep Learning, Robotics, and Case Studies, Big Data Based Frameworks and Machine Detection |    | SCOPUS Book chapters                  |
| International Journal of Electrical and Electronic Engineering & Telecommunications                                                                                                      | Q2 | SCOPUS                                |
| Journal of Science and Engineering                                                                                                                                                       |    | SCOPUS                                |
| PERIODICO TCHE QUIMICA                                                                                                                                                                   |    | WOS                                   |

|                                            |  |                       |
|--------------------------------------------|--|-----------------------|
